**Available sizes: Men 5 – 16 & half sizes, Women 5 – 12 & half sizes**

**Available widths: Narrow, Medium, Wide**

HAIX® MSL System

HAIX® FL Fit System

HAIX® Climate System

## HAIX® Secura Liner®

Footwear inner liner which will never pull out or wrinkle up over time; lining is firmly secured and sealed along with the upper leather beneath the sole.

## HAIX® Sun Reflect Leather

Reduces the heating effect of the upper leather by direct sunlight. Sunlight is reflected by the leather, keeping the leather and the feet cooler.

## HAIX® Climate System

Permits air circulation with every step – moist air is released and fresh air comes in through the vent holes at the top of the boot.

## HAIX® MSL System

Micro Soft Light: PU foam injected throughout the sole for greater shock absorption and cold/heat insulation; extremely low weight.

## Protective Toe Cap

Anatomically formed and well-padded steel protective toe cap to meet ASTM 2413-2018 and CSA Z195-2014 standard for personal protection – protective footwear.

## Protective Flexible Midsole

Flexible protective stainless steel, cast into the sole, to meet ASTM F2413-2018 and CSA Z195-2014 standard for personal protection – protective footwear

## Upper Material

Waterproof leather, hydrophobic and breathable.

## Moisture Barrier

CROSSTECH® footwear, 4 layers, waterproof and breathable, bacteria and chemical resistant, bloodborne pathogen resistant. Highly abrasion resistant and softly padded with breathable foam.

## Sole

Nitrile rubber shell sole, oil and fuel resistant, self-cleaning tread, high voltage resistant 18 KV.

## Insole

Anatomically formed, quick change, machine washable insert with excellent moisture absorption and quick drying qualities.

## Footbed

Anatomically formed TEXON (fleece) absorbs moisture and supports ankle.

## HAIX® Fast Lacing Fit System

Patented Two Zone Lacing System for quick and optimal lacing adjustment and correct fit of the boot.

## Other

Heel flex zone and flex zone construction around tongue, profiled rubber toe cap. External Metatarsal Protector.

## Extended Wear Program

Out of warranty footwear can be refurbished with original factory parts through an extended wear package. This package includes any necessary replacement or repair of stitching, profiled rubber toe caps, insoles, and retreading of soles. Footwear will be cleaned and deodorized. HAIX footwear owners also have the option of a sole retread only or a toe cap replacement only.
